

## Special Interest Vehicle (SIV) Concessional Registration Queensland

Members of the Whitsunday Sporting Car Club (WSCC), who are owners of vehicles more than 30 years old, can apply to receive the discounted 'Special Interest Vehicle (SIV) Registration Concession', available from Queensland Department of Transport & Main Roads (TMR).

You are advised to do your own research to become familiar with your responsibilities regarding SIV Registration.

Please review the 'SIV Concession Scheme Guide' (see links page). As required by the TMR, the Club must provide evidence of your current membership status, including full details of your vehicle, on a Club letterhead, signed by a Club official.

TMR advises, that it is the registered owner's responsibility to apply for, and/or remove, the SIV concession. The special interest vehicle concession can be applied to multiple eligible vehicles—there is no limit.

### Conditions & Restrictions

This concession is based on the vehicle having a very strict and limited road use which is reflected in the reduced fees and compulsory third-party insurance premium. This is a privilege which comes with legal obligations.

The registered owner must comply with all conditions as set out in the SIV scheme when using their vehicle and ensure that anyone driving the vehicle is also familiar with these conditions. The Whitsunday Sporting Car Club will be deemed not liable for any member misusing the SIV scheme.

#### 1. Club Membership
